

# COMMANDEUR

RED 2019

## *The land's soul & poetry*

*The highlight of the estate's reds, Commandeur captures all the ancestral know-how and unique beauty of Astros into a bottle. Chosen for their aromatic typicity, capable of revealing the splendour of the Astros terroir, the vines, planted on limestone soils, come from parcels selected to bring out the intensity and purity of our finest Syrahs.*

## TASTING NOTES

**Appearance** : Beautiful dark colour with purple hues, very deep.

**Nose** : The entry is vibrant with ripe dark fruit flavors of cherries, followed by hints of cocoa and coconut.

**Palate** : Round velvety tannins enrobe a silky texture with a touch of coffee. Polished, it offers an elegant and lingering finish with violets flavours.

## WINEMAKING

Traditional vinification in concrete tank. Aged for 12 months in oak barrels (used previously for white wine to round out the tannins and refine the wine's aromas).
